

Resorts and Covid-19

SEPTEMBER 2020

Committed to ensuring that the mountains remain enjoyable

A shared responsibility

A shared responsibility: resort staff and visitors must do their bit to look after everyone's health

Wearing a mask is compulsory

Hand sanitising gel

Surfaces and equipment sanitisation

Table service only

Table distance a minimum of 1 metre apart, or fixed or removable panels to ensure physical distancing

Access to the resort by public transport

- ▶ Wearing a face mask is compulsory before boarding and while on the bus.

Ski lifts

- ▶ Wearing a face mask is compulsory while queuing and on the ski lifts.
- ▶ Contact points are thoroughly cleaned on a daily basis.

In equipment hire shops

- ▶ Wearing a face mask is compulsory.
- ▶ All hired equipment is thoroughly cleaned.
- ▶ Hand sanitising gel is made available.

At ski schools

- ▶ Wearing a face mask is compulsory when gathering at the beginning and end of class, for everyone aged 11 and over.
- ▶ In public indoor spaces:
 - Wearing a face mask is compulsory for everyone aged 11 and over.
 - Hand sanitising gel is available.
 - All surfaces are thoroughly cleaned.
- ▶ All hired equipment is thoroughly cleaned.

In your accommodation and tourist offices

- ▶ Wearing a face mask is compulsory in all communal and enclosed spaces.
- ▶ Hand sanitising gel is made available.

In bars and restaurants

- ▶ Table service only.
- ▶ Table distance a minimum of 1 metre apart, or fixed or removable panels to ensure physical distancing.
- ▶ Guests must wear a face mask when walking around the premises.
- ▶ Hand sanitising gel is available.
- ▶ All surfaces are thoroughly cleaned, with increased frequency.

Reminder:

Skiing is an outdoor activity, and equipment (gloves, skis and poles) is perfectly in line with social distancing. In some public spaces, capacity may be reduced. Wearing a mask is compulsory for everyone aged 11 and over.
